### RULES FOR THE GUIDANCE OF SUB-OVERSEERS.

1st - The Town of Calcutta, agreeably to Act No. XXIV. of 1811 is divided into four Grand Divisions, and each of these has an European Cleansing Overseer.

2d - The Town is again sub divided, under orders of the Right Honble the Governor of Bengal, No. 818 dated the 27th May 1811, into eleven Sub-Divisions, to each of which the Justices in Sessions, at their Meeting of the 28th ultimo, have been pleased to appoint a Sub-Cleansing Overseer at Co's Rs. 25 pay per month.

3d - The undermentioned individuals have accordingly been this day appointed Sub-Overseers:

1st Division, Overseer ANDREWS..	{ A. P. A. RESSURASAO B. W. LEGH, AND C. W. A. SCOTT,
2d Division, Overseer TWEEDALE..	{ A. HENRY DYE B. J. S. DO CRUZE, AND C. J. MORRIS.
3d Division, Overseer GREEN .....	{ A. G. GOMS B. J. CROME, AND C. W. C. SCOTT.
4th Division, Overseer NEWING ...	{ A. C. T. BROWN, B. GEO. SALVADORE.

4th. - The Sub Overseers will attend Muster on the Circular Road every morning before day break. Overseers of Divisions will assign to each Sub Overseer the proper number of Peons, Matras, Coolies and Cuts. These they will distribute in their respective charges, in the most advantageous manner paying a bounty, in the first instance, to the cleansing of the more important Streets and Pucca lanes, but not to the neglect of any of the minor Lanes and Drains.

5th. - Sub Overseers should always bear in mind that the chief object of their appointment is, to see that the establishments under them do their work in a proper manner, and in sufficient quantity, with the view to insure that they should work their Coolies, in squads, or they should be scattered as little as possible, and in cases where this cannot be managed, such work should be assigned to each of these small scattered parties, they should moreover allow a reasonable time for each to deposit its load, with reference to the distance, the sweepings have to be taken.

6th - The foregoing section (5) contains the chief duties required from Sub-Overseers, and he who will keep his Sub Division, in the clearest order, and with the smallest establishment, will be considered a good servant, and his exertions will also be favourably considered.

7th. - Sub-Overseers will each keep a Book, according to a form that shall be furnished to them, wherein they will daily note each description of establishment mustered for them, and such persons as may leave their work in an unfinished state, or shall go away out of the Sub division, before the rest. They will, with this view, invariably muster their establishment in some convenient place, after the day's work has been completed, and there dismiss them. All absentees at this muster, whose absence cannot be satisfactorily accounted for, will be cut that day's wages.

8th. - Sub-Overseers must not only be present in their Sub-division during working hours, but must be constantly moving about, so as to see that work is being done in a proper manner. Working hours are from sunrise, until the Sub-division shall have been cleaned, which ought always to be the case by 2 o'clock in the afternoon.

9th. - Sub-Overseers, after they have dismissed their establishments, will submit their Books and Reports to their respective Overseers; who will deduct from their morning Muster Roll the absentees, and then submit it, as at present, for the Examination and Signature of the Superintendent, accompanied by a report of any circumstance that may require his attention, or orders. Overseers will be careful, that the Sub-Overseers keep their Books in a clear, regular and orderly manner. Overseers will also report daily what Sub-division were visited by them, and how they found the work going on in them.

10th. - Sub Overseers will report to the Overseers, all persons throwing dirt of any kind into the Public Drains; all cases where privy filth is allowed to run into them, and all encroachments, or obstruction upon the Public Drains and Roads, as well as every other Nuisance, that may come under their notice. Overseers also must pay particular attention to these matters.

11th. - Sub-Overseers are strictly prohibited from beating any of the native establishments. The Coolies who will work under them, are a timid class, and they should therefore be mild, but firm, in their demeanour towards them.

12th. - Sub-Overseers should, above all, refrain from drink, or any other excess. Drunkenness, and inattention to duty, will invariably be visited with instant dismissal.

**OF THE  
EAST INDIA COMPANY'S TROOPS  
ON THE**

### **BENGAL ESTABLISHMENT.**

**Including all the Departments and Establishments ; and the Distribution of  
the Army ; with an Index to Names.**

# N. B.

All Officers are accounted for in their respective Regiments, and the absence of Staff Officers is more particularly explained in the Department or Division to which they belong.

Effective Regimental Officers, absent from their Corps, are accounted for in the column of Remarks opposite their names.

The dates prefixed to the names in the Graduation and other Lists, denote the Season of appointment as Cadet or Assistant Surgeon.

This Mark \* after the names of Field Officers and Captains, in the Graduation List, denotes the rank being Brevet only.

Officers having the letters PC before their names, have passed the prescribed examination in the Persian and Hindoostanee languages in the college of Fort William.

Officers having the letter P only before their names, have passed the prescribed examination in the Persian and Hindoostanee languages by district committees of examination.

The figures prefixed to names in the Artillery Regiment distinguish the Battalion or Brigade to which they belong.

The uniform of the Bengal Cavalry is French, and that of the Infantry, Scotch.

The lace of the Bengal Cavalry is Silver, and that of the Infantry, gold.

The words in Italics in the line, under the titles of Infantry Regiments are the Hindoe designations of each Battalion; the words in Italics thus "Moor," "Allypore," "Deer," &c. denote honorary distinctions permitted to be worn on the colors and appointments of the Regiment, in commemoration of distinguished services performed. The words in Small Capitals are intended to give the Edition, when it is known and allowed to be published.

Meetings of the Committee are held once a fortnight, upon alternate Mondays, or oftener if necessary at St. James's Church. Applications for relief are registered by the Secretary, and sent for inquiry, and report, to the members, according to their turns of inspection, and the Sub-Division in which the applicant may reside. The cases, with the report of the members by whom they have been investigated are submitted to the Committee, at the next ensuing meeting, and disposed of according to their merits, the applicant being in attendance. Those who are admitted to the funds either permanently, or for a temporary period, receive Tickets from the Treasurer to such effect. Those who are only admitted to temporary relief, on the expiration of the allotted period, are required to attend again before the Committee, and frequently their cases are re-investigated and disposed of according to a further report from the Visiting Member. Cases of peculiar hardship, but which, on account of the individuals being able-bodied, the Committee are precluded from relieving, are recommended to the Central Committee, with such temporary relief as may be deemed necessary by the Visiting Member, for the Committee, according to the exigency of the case. *C. F. School Regulations R. 114 page 27.*

"The benefits of the institution are sometimes extended to such children as have friends who wish to place them in the School, and, to avoid burdening the institution, agree to pay a sufficient sum to cover their expenses. It is understood that the Guardians of these children retain their natural right of removal and other control over them so as not to interfere with the general discipline of the School; but in all other respects there is no distinction between them and the rest of the children. By a sum sufficient to cover the expenses, is to be understood a sum not less than ten rupees a month, or a donation which may be considered equivalent, with reference to the age of the child, and its claim on the charity. The Governors however have a discretionary power as to the demand of a monthly sum to be paid for such children, which is in no case to exceed ten Rupees."

All applications for Children admitted and apprenticed, are to be made to the Governors, through the Secretary.

## TERMS OF ADMISSION.
